23. In the case of Catalogue animals, all risk will pass to the buyer once the animals are loaded onto the transport vehicle.

27. If payment by cheque is accepted, in the sole and absolute discretion of the Auctioneer, it takes place subject to payment thereof, and right of ownership of the animals shall pass to the Buyer only when the banker meets the cheque, and it does not constitute a novation of any cause of action pursuant to the provisions hereof.

29. THE AUCTIONEERS CONDITIONS ARE BINDING

THE AUCTIONEERS CONDITIONS GOVERNING AUCTION SALES

6. Each bid shall constitute an offer to purchase the property for sale at the amount bid and shall be irrevocable until such bid is accepted or refused. Unless otherwise directed by the auctioneer, bidding shall be closed by the fall of the hammer and acceptance of a bid shall be subject to confirmation by the seller. Final acceptance of a bid shall be communicated by the auctioneer to the buyer. Whilst all sales shall be subject to VAT, the prices bid shall be deemed to be exclusive of VAT so that the successful bidder in each case shall be liable for the price at which the item sold was knocked down to him plus the VAT thereon.

7. The auctioneer will be under no obligation whatsoever to accept the highest or any other bid and will have the right to determine the minimum bid that will be accepted and to refuse any bid lower than the minimum bid. The auctioneer shall be entitled to refuse any bid (including the highest) without giving any reason whatsoever and he may withdraw the property from the sale before or after it has been offered for sale. Any refusal or withdrawal by the auctioneer will be deemed a decision by the seller despite any contradictions.

8. In the event of a dispute arising amongst the bidders and or the auctioneer, the assets in dispute shall, at the sole discretion of the auctioneer, be re-auctioned.

9. Any error by the auctioneer shall be entitled to be corrected by him or her upon discovery.

10. The buyer shall be bound by all announcements made by the auctioneer at the commencement of and during the sale, whether or not the buyer is present at the time such announcements are made.

11. Unless otherwise stipulated by the auctioneers at the start of the sale, livestock is offered for sale on a per head basis.

12. Payment of the purchase price by the buyer shall be made immediately after the property has been sold to him unless otherwise arranged with the auctioneers prior to the sale. Should any buyer fail to make payment immediately after the sale, then such buyer shall be liable, without prejudice to the seller's rights arising out of such failure, for interest on the balance of the purchase price outstanding, calculated from the date of the sale to the date of final payment, at a rate of up to the maximum prescribed by the Usury Act.

13. The buyer shall be obliged to pay the purchase price, and all other amounts payable in terms hereof, to the auctioneer or seller and shall not be entitled to set off any amount which the seller may owe to the buyer against any payment due to him in terms of or consequent upon any sale to which these conditions apply.

14. If a sale subject to confirmation is confirmed, the auctioneer shall inform the buyer of such confirmation orally within the period stipulated for confirmation. If the bidder whose bid has been provisionally accepted is not so informed, the property shall be deemed not to have been sold. The bidder whose bid is provisionally accepted shall not be entitled to withdraw his bid during the sale period. The auctioneer shall inform him of the amount and terms and conditions of any higher offer which it receives during that period and which the seller is prepared to accept and such bidder shall have the option to purchase on those same terms and conditions and at a sum equal to the highest of such other offers so notified to him.

15. The buyer warrants that he/ she/ it has full contractual capacity and power to enter into the sale or that, to the extent that the consent of any other party is required in order to ensure such capacity or power, such third party has consented. Any person who purchases on behalf of a principal (i.e. natural person) must furnish the auctioneer with a written signed Power of Attorney, prior to the commencement of the auction, failing which he/she will be personally liable for payment of any purchases made by him/her. The person bidding on behalf of or signing any document on behalf of the purchaser pursuant to a successful bid hereby binds himself/herself personally as co-principal debtor with the buyer for payment of the purchase price and personally guarantees all the obligations of the buyer under these Conditions of Sale.

18. The seller warrants that there are no encumbrances on such assets, that the said assets are the property of the seller, and that the seller is competent and legally entitled to dispose of the assets. The seller further warrants as against the buyer that the assets are free of any patent or latent defects.

19. The seller, who offers the assets for sale, accepts all liability regarding the information furnished as to pedigrees, ages, dates of service, state of health or gestation or any other particulars which might be incorrect. In the event of any dispute the buyer shall only have a claim against the seller and not against the Auctioneer.

20. The seller warrants as against the auctioneer that the assets are free of patent and latent defects and that any right or claim ceded to the auctioneer in terms of these Conditions of Sale is free of any defect or right of deduction or set-off, and that the said right or claim is fully and immediately enforceable against the buyer.

21. The buyer shall, prior to the sale, ascertain whether there are any defects in the assets and any bid by a buyer shall be considered as acceptance of the assets with any patent or latent defects in their condition at the time of sale.

22. The seller and the buyer indemnify and hold the auctioneer harmless against all claims for loss and/ or damage arising from any error in description of any property submitted for sale. Furthermore, the seller warrants, if the goods to be sold on his behalf comprise livestock, that to the best of his knowledge and belief, such livestock is, and at the time of the sale shall be, free of disease. In any event, both the seller and the purchaser agree that the auctioneer shall not be responsible for any loss or damages arising from the sale of diseased livestock from contamination of healthy livestock due to the placing of such livestock in proximity to diseased livestock, whether at the auction grounds or elsewhere.

23. Subject to any express agreement that may be entered into between the buyer and the seller, the risk in and to the property sold shall pass from the seller to the buyer upon confirmation of the sale but ownership of the property shall not pass to the buyer until he has paid the whole of the purchase price and any interest and/ or legal costs payable to him in terms hereof, and the seller or auctioneer shall be entitled to reclaim and recover from the buyer any property delivered to him in respect of which payment of the whole of the purchase price, interest and aforesaid costs has not been made. Payment by cheque in lieu of cash shall be conditional upon such cheque being honoured on presentation.

24. The purchase price is payable by the buyer to the auctioneer by bank-guaranteed cheque or by internet transfer on the date of sale ("the payment date") unless other payment terms and or means are agreed between the auctioneer and the buyer. The auctioneer reserves the right to refuse any method or means as payment.

25. Every entry made by the auctioneer in its vendor roll as to the property sold and the selling price thereof, shall be binding upon the buyer and seller and shall not be disputed by either of them.

26. The auctioneer is acting as the agent for and on behalf of the seller and neither the buyer nor the seller shall have any claim against the auctioneer arising from the sale.

27. In the event that the buyer should fail to pay the purchase price timeously, the auctioneer shall be entitled but not obliged, without formal cession of action from the seller, to sue the buyer in the auctioneer's own name and on its own behalf for purchase price or any unpaid portion thereof and the buyer shall be liable to pay in addition to the purchase price and interest aforesaid, all costs incurred in tracing the buyer and all legal costs and charges on an attorney and own client scale including, inter alia, all collection commission lawfully debited to the seller or the auctioneer by its attorneys in regard to the recovery of any amount due by the buyer.

28. The buyer and the seller hereby consent to the jurisdiction of the Magistrate's Court in terms of Section 45 of the Act on Magistrate Court (Act 32 of 1944 as amended) for any action instituted by the auctioneer against the buyer although the auctioneer is entitled to institute proceedings in any competent Court.

29. A certificate issued by a Manager of the auctioneer, whose appointment and authority shall not be necessary to prove, shall be prima facie proof of the amount owing by the buyer to the seller or the auctioneer.

30. In the absence of any express agreement, the auctioneer shall be entitled, in respect of each sale effected by it, to receive from the seller a reasonable remuneration for its services, together with the VAT thereon, which remuneration shall be the commission ordinarily charged by auctioneers at the time of the sale in the area where the sale is held. The seller shall also pay the amount of such expenses as the auctioneer may reasonably have incurred in connection with or incidental to the transaction.

31. Any indulgence shown or extension of time given, whether in respect of the payment of money or any other matter or thing hereunder, shall not constitute a waiver of rights by the seller and shall in no way prejudice him nor in any way limit his rights hereunder nor modify nor alter them, and he shall be entitled at any time to exercise such rights as though no indulgence had been shown nor extension of time given.

32. All documents necessary to be signed and all things necessary to be done to give effect to the purport and intention of the sale shall be so signed and done with all reasonable dispatch.

IT IS OUR ABSOLUTE PLEASURE TO WELCOME YOU TO THE CROUS BROERS WILDLIFE AUCTION!

We are honored to have you as our guest and hope that you will enjoy a fantastic day with us. We are extremely proud of the selection of animals on auction today. Our journey as wildlife ranchers started in 2002 with the purchase of our first sables from Thaba Tholo.

For the past 18 years, we have expanded and enhanced our breeding program by adding more species such as roan, wildebeest (blue, gold, king and golden king), impala, nyala, lechwe, rhino, lion, buffalo, springbok and oryx. Farming currently spans over 12,500ha and extends across the Free State and Limpopo. In recognition of our outstanding breeding program, Crous Broers were awarded the prestigious award of WRSA Wildlife Breeder, 2014.

Over the last few years, we have bred no less than 10 sable bulls with horn length of 50"+ and 4 roan bulls with horn length of 33"+. To our knowledge, we own the current SA record holder Roan bull, Redbull, who measured 35⁶/₈" on 5 November 2019 at the age of 7 years and 8 months. Today we are proudly presenting Redbull genetics for sale.

We are equally proud of our sable bull Fidel Castro, with his 95% Zambian bloodline and horn measurements of 53" as well as tip-tip of 26²/₈". On auction today we also offer 3 lots of sable females in calf to Fidel Castro. In total, our auction offers 8 sable bulls over 50", 8 roan bulls over 29" and 1 roan bull of 35²/₈" together with a superb selection of golden wildebeest bulls, buffalo bulls, impala, oryx, rhino and some fantastic hunting packages.

As an added value benefit, all animals will be transported free of charge within RSA borders.

Animals will be available as soon as permits are available.

We thank you for your support and wish you much success in your future breeding programs.

Best regards,

Riaan, David en Kobus, spouses and children.

Covering conditions

1. In this offer, the Buyer (Owner) can, on his own cost, introduce 4 open female animals, old enough to conceive, to the Fidel Castro herd, which is currently running on a farm between Kroonstad and Steynsrus. The introduction of the 4 females must take place before the end of April 2020.
2. The 4 females will be cared for by Crous Broers at no extra maintenance cost to the Buyer (Owner). The welfare of the 4 animals will be monitored and managed in the same way as the Crous Broers' maintain, care and manage their own animals at no extra management cost to the Buyer (Owner).
3. All veterinarian and testing costs relating to the 4 animals will be for the Buyer's (Owner's) account. The onus of any and all risk pertaining to all 4 the female animals remain that of the Buyer (Owner). Any insurance taken out on the 4 female animals is for the Buyers' (Owners') own account and it remains their responsibility to arrange such insurance.
4. Payment: 70% of the payment is due at the fall of the hammer and the balance of payment is due after pregnancy has been confirmed.
5. The Buyer (Owner) and Seller (Crous Broers) must then agree on the date of relocation of the 4 female animals from the Crous' property.
6. The Buyer (Owner) and Seller (Crous Broers), or their representatives, must be present at all pregnancy tests to verify pregnancy. Should
7. the Seller (Crous Broers) decide to sell Fidel Castro after the 18-month period (as stated in point 8.2 below), they should be allowed to do so at their own discretion and without prejudice and the contract will be terminated as per par.
8. PREGNANCY:
 - 8.1. The animals will be tested for pregnancy 6 months after their introduction to Fidel Castro, and thereafter at 3 month intervals. Once pregnancy is confirmed, the 4 female animals must be removed, preferably simultaneously.
 - 8.2. Should, for whatever reason, one or more of the Buyers' (Owners') females do not conceive within an period of 18-months after introduction to Fidel Castro, Crous Broers reserves the right to allow the Buyer (Owner) to replace the animal/s or to refund the Buyer (Owner) for the particular female/s that did not conceive. Any claims are limited to the maximum value of the purchase price per covering. It is agreed that the bid price of the lot, divided by 4, will be the value per single animal.
